2. Read the paragraph and complete the table. 5 marks

Once Akshay and Parita planned to visit the Watson Museum, Rajkot. They found it very interesting. They took some extra money with them to buy something from the market on the way. They decided to go on cycles because it would help to stay fit and healthy. They planned to go there at 2 pm because it closes early in the evening. They watched many surprising things there specially stuffed animals and birds. There they saw many historic attires, jewelry and arms. They were stunned to see these all.

Action	Reason
.....	They found it very interesting
They decided to go on cycles	.....
.....	To buy something from the market
They planned to go at 2 pm.	.....

3. Read the paragraph carefully and answer the questions given below. 6 marks

The project title is 'Bamboo and Banana are the best'. Really, bamboo is a wonderful plant because there are many uses of it. The bamboo is very strong therefore it is used to build the bridges. We can make many things like fences, fishing rods, rafts, baskets, furniture etc. A plant may grow eighty feet or even more. Sometime it

shoots up three feet in a single day! The bamboo has joints all the way up the stem. The stem is hollow between the joints, So that we can play on a flute.

**Questions:**

1. What is the title of the project? '.....'

2. Why is bamboo a wonderful plant?

3. Why is bamboo used to build the bridges?

4. Write the uses of bamboo.

5. Have you ever used a bamboo?

4.Fill in the blanks. Use 'therefore' or 'because'. 5 marks
